Names in bold indicate members of the Macmillan Palliative Care Collaborative

PUBLICATIONS

2012

- Cresswell KM, Sadler S, Rodgers S, Avery A, Cantrill J, **Murray SA** & Sheikh A. An embedded longitudinal multi-faceted qualitative evaluation of a complex cluster randomised controlled trial aiming to reduce clinically important errors in medicines management in general practice. *Trials*, In Press.
- Fenning S, Woolcock R, Haga K, Iqbal J, Fox KA, **Murray SA** & Denvir MA. Identifying Acute Coronary Syndrome Patients Approaching End-of-Life. *PLoS ONE* 2012;7(4):e35536.
- Cavers D, Hacking B, Erridge SE, Kendall M, Morris PG & **Murray SA**. Social, psychological and existential well-being in patients with glioma and their caregivers: a qualitative study. *CMAJ* 2012. DOI:10.1503/cmaj.111622.
- Hall S, Murchie P, Campbell C & **Murray SA**. Introducing an electronic palliative care summary (ePCS) in Scotland: patient, carer and professional perspectives. *Family Practice* 2012;0:1-10.
- Harrison N, Cavers D, Campbell C & **Murray SA**. Are UK primary care teams formally identifying patients for palliative care before they die? *BJGP* 2012;e344.
- Haga K, **Murray SA**, Reid J, Ness A, O'Donnell M, Yellowlees D & Denvir M. Identifying community-based chronic heart failure patients in the last year of life: a comparison of the Gold Standards Framework Prognostic Indicator Guide and the Seattle Heart Failure Model. *Heart* 2012;98:579-583.
- **Murray SA**. Challenges at the End of Life. *Apothecary* 2011:17-20.

2011

- Nagraj S, **Barclay S**. (2011). Bereavement care in Primary Care: a systematic review and narrative synthesis of the literature. *British Journal of General Practice*: **61**; 53 – 58 abridged text in print. Full text DOI: 10.3399/bjgp11X549009.
- **Barclay S**, Momen N, Case-Upton S, Kuhn I, Smith E. (2011). "The conversation that rarely happens". End of life care conversations with heart failure patients: a systematic literature review and narrative synthesis. *British Journal of General Practice*: **61**; 59 – 60 abridged text in print. Full text DOI: 10.3399/bjgp11X549018.
- Gwilliam B, Keeley V, Todd C, Gittins M, Roberts M, Kelly L, Barclay S, Stone P (2011). "Improving prognostication in advanced cancer: development of the Prognosis in Palliative care Study (PIPS) predictor models". *British Medical Journal*: **343**; 459 abridged version in print. Full text DOI: 10.1136/bmj.d4920
- Momen N, **Barclay S** (2011). "Barriers to end of life care conversations in heart failure: addressing "The elephant on the table". A literature review and narrative synthesis". *Current Opinion in Supportive and Palliative Care*: **5**; 000 - 000. Full text DOI: 10.1097/SPC.0b013e32834b8c4d
- Perrels A, Fleming J, Zhao J, **Barclay S**, Farquhar M, Buiting H, Brayne C and Cambridge City over-75s Cohort (CC75C) study collaboration (2011). "Place of death and end-of-life transitions experienced by older old people of different cognitive status:

- >85-year-olds in the CC75C population-based cohort. *Palliative Medicine: paper in press*
- Quince T, **Barclay S**, Spear M, Parker R, Wood D. "Student Attitudes towards cadaveric dissection at a UK medical school". *Anatomical Sciences Education: paper in press*
 - Mathie E, Goodman C, Crang C, Froggatt K, Iliffe S, Manthorpe G, **Barclay S**. (2011). "An uncertain future: the changing views of care home residents about living and dying". *Palliative Medicine: paper in press*
 - Goodman C, Mathie E, Cowe M, Mendoza A, Westwood D, **Munday D**, Wilson P, Crang C, Froggatt K, Iliffe S, Manthorpe J, Gage H, **Barclay S** (2011). "Talking about living and dying with the oldest old: public involvement in a study on end of life care in care homes". *BMC Palliative Care; paper in press*.
 - McPherson A, Watson M & **Murray SA**. Use of cardiopulmonary resuscitation in UK and Irish hospices: a postal survey. *EJPC* 2011;18(4).
 - Osman H & **Murray SA**. Palliative care: the potential of primary care physicians as providers of palliative care in the community in the Eastern Mediterranean region. *EMHJ* 2011. In press.
 - Regnard C, George R, Grogan E, Harlow T, Hutchison S, Keen J, McGettrick S, Manson C, **Murray SA**, Robinson V, Stone P & Tallon C. So, farewell then, doctrine of double effect. *BMJ* 2011;343:d4512.
 - Logie D, Grant L, Leng M & **Murray SA**. Mentoring palliative care staff in low-income countries has benefits for all. *EJPC* 2011;18(5).
 - **King, N**. (2011) Psychology in the real world: making a difference to society. Public Service Review: UK Science and Technology, 3, 322-323.
 - Gao W, Stark D, Bennett M, Siegert RJ, **Murray SA** & Higginson IJ. Using the 12-item General Health Questionnaire to screen psychological distress from survivorship to end-of-life care: dimensionality and item quality. *Psycho-Oncology*, 20: n/a. doi: 10.1002/pon.1989
 - Grant L, Downing J, Namukwaya E, Leng M & **Murray SA**. Palliative care in Africa since 2005: good progress, but much further to go. *BMJ Supportive and Palliative Care*. In press.
 - Grant L, Brown J, Leng M, Bettega N & **Murray SA**. Palliative care making a difference in rural Uganda, Kenya and Malawi: three rapid evaluation field studies. *BMC Palliative Care* 2011, 10:8.
 - **Murray SA** & Boyd K. Using the 'surprise question' can identify people with advanced heart failure and COPD who would benefit from a palliative care approach. *Palliat Med* 2011, 25:382.
 - **Barclay S**, Momen N, Case-Upton S et al. (2011) End-of-life care conversations with heart failure patients: a systematic literature review and narrative synthesis. *British Journal of General Practice* DOI: 10.3399/bjgp11X549018.
 - **Campion-Smith C**. Cancer care review—a patient who has completed primary treatment for cancer (2011). *InnovAiT* 10.1093/innovait/inq078 First published online: 8 February 2011
 - **Campion-Smith C**, Austin H, Criswick S et al (2011) Can sharing stories change practice? A qualitative study of an interprofessional narrative-based palliative care course. *Journal of Interprofessional Care* 25:105–11. Online publication ahead of print. DOI: 10.3109/13561820.2010.515427
 - **Khan N**, Watson E, Rose PW (2011). Primary care consultation behaviours of long-term, adult survivors of cancer in the UK. *British Journal of General Practice*. In press, due to be published in March issue.
 - **Khan N**, Mant D, Carpenter L, Thomas J, Forman D, Rose P. Incidence and risk of late effects in long-term cancer survivors: a population based study in the General Practice Research Database. Submitted to *British Journal of Cancer* following rejection from *Lancet Oncology*.

- Adams E, Boulton M, Rose P, Lund S, Richardson A, Wilson S, **Watson E**. Views of cancer care reviews in primary care: a qualitative study. *British Journal of General Practice*. In press
- Pinnock H, Kendall M, **Murray SA** et al (2011) Living and dying with severe chronic obstructive pulmonary disease: multi-perspective longitudinal qualitative study. *BMJ* 342:d142. doi: 10.1136/bmj.d142
- Ziegler L, Hill K, Neilly L, Bennett MI, Higginson IJ, **Murray SA** et al (2011) Identifying psychological distress at key stages of the cancer illness trajectory: A systematic review of validated self-report measures. *J Pain Symptom Manage* 2011 Feb 8. [Epub ahead of print]

2010

- **Murray SA**, Mason B (2010) Palliative Care Looking Towards 2020. *AMJ* 3, 6, 318-324.
- **Hardy B, King N**, Firth, J. Pictor: a tool to promote reflection and communication in research interviews with people affected by advanced disease. Paper submitted to *Nurse Researcher*.
- **Campion-Smith C** (2010). A ten-minute consultation. Cancer care review - a patient who has completed primary treatment for cancer. *Innovait* (in press)
- **Campion-Smith C**, Austin H, Criswick S, Dowling B, Francis G (2010). Can sharing stories change practice? A qualitative study of an interprofessional narrative-based palliative care course. *Journal of Interprofessional Care* (in press)
- **Khan N**, Mant D, Rose P (2010). Quality of care for chronic diseases in a British cohort of long-term cancer survivors. *Annals of Family Medicine* 8:418-424.
- **Khan N**, Ward A, **Watson E**, Rose P (2010). Consulting and prescribing behaviour for anxiety and depression in long-term survivors of cancer in the UK. *European Journal of Cancer* doi:10.1016/j.ejca.2010.07.035.
- **Khan N, Watson E** and Rose P. Primary care consultation behaviours of long-term, adult survivors of cancer in the UK. *British Journal of General Practice* (in press).
- **Khan N**, Mant D, Carpenter L, Thomas J, Forman D, Rose P. Incidence and risk of late effects in long-term cancer survivors: a population based study in the General Practice Research Database. Submitted to *Lancet Oncology*
- Gant E, Brown J, Leng M, Bettega N, **Murray SA**. Palliative care making a difference in rural Uganda, Kenya and Malawi: using rapid evaluation field methods to assess impact on patients, families and local communities (in press),
- Schneider N, Mitchell GK & **Murray SA**. Palliative care in urgent need of recognition and development in general practice: the example of Germany. *BMC Family Practice* 2010;11:66.
